## GIRLS NIGHT OUT

Our girls night out this term was a huge success with 16 mothers making it to dinner. We even had our own private room which meant we could make as much noise as we wanted! It was a good thing as there was non-stop chatter all night! After dinner the manager offered us free champagne to heat up the dance floor. Just the incentive some of us needed! It didn't take long for us to find our groove and before we knew it the clock struck 12. Stay tuned for our next girls night out in Term 4...

## BOOK SALE

We have an abundance of children's books that have been donated to the church. To make room and to raise some funds for our playgroup, we will have these books for sale over the next two weeks during playgroup. There are no prices, just pay what you can afford. The funds raised will be used to purchase craft supplies for playgroup.

## BABYSITTER CLUB

Many of the families in our playgroup have moved to Perth and do not have extended family here. To be able to support each other more we thought playgroup members might be interested in starting a 'babysitters club'. It means you can get someone you know to babysit for visits to the hairdresser or perhaps a much needed night out. The 'babysitters club' will work on a credit system so we will need someone to coordinate. Please let Felicity know if you are interested and whether you would be willing to coordinate.

## END OF TERM PARTY

The last playgroup for this term is Wednesday 28<sup>th</sup> September. To celebrate another great quarter we will be having a costume party for the children. Costumes provided! The children will also be making a piece of artwork for you to take home. Please bring along a plate of food (savoury or sweet) to share if you can.

*Girls Night Out!*
