## WELCOME TO TERM 3

Welcome back! I hope you had a nice time during the school holidays. I know some people are still travelling so we look forward to catching up when you get back.

This term we want to try a few new things:

- Craft roster
- Story time kits
- Playgroup library

Now that the children are a bit older they will probably enjoy having some craft activity each week. The craft roster will rely on mums volunteering to run an activity. We'll put out a blank roster on the first day with a list of suggested craft activities. There are 10 weeks this term so hopefully each mum will only be needed once.

The City of Joondalup Library lends out story time kits and we hope to borrow one for our playgroup. We can use them for 4 weeks so we should get a range of fun activities for the children.

The playgroup library will contain books that playgroup mums can borrow for free. The collection of books relate to being a mum and being a woman. The books have been kindly donated by the church. I've read most of these books so feel free to ask me about them.

## NEW HELPER

This term we welcome Barbara to the team of helpers. She has kindly stepped in to replace Irene, who is not able to change to Wednesday mornings. We will miss Irene but as the minister's wife she is never far away!

Like most of our helpers, Barbara has been with the church for a long time and loves to make people feel welcomed. Barbara is a fantastic cook so if you're ever after a good recipe you can always ask her. She taught a few of us to make the best hot cross buns this year.

You will still see the friendly faces of Karen, Sue and Yvonne this term.

## SAVE THE DATE

The next girls night out will be Friday 26th August. Dust off your make-up bag and book a babysitter. More details to come.

Warmest regards,

Wing Shattock & Felicity Lear
