

GIRLS NIGHT OUT

Our girls night out this term was a huge success with 16 mothers making it to dinner. It's great to be able to sit and relax, let alone enjoy a meal someone else has prepared! There was lots of chatting and laughter late into the evening. I think we were the last table to leave ☺

We plan to have a girls night out each term, so stay tuned for the next one!

STORYTIME

The weekly storytimes have been greatly enjoyed by both children and adults. We have purchased big books this year so they are easier to see. The bright pictures and large font help both the audience and the storyteller, one of our seniors who regularly come to playgroup ☺

NATIONAL YEAR OF READING

This term we had a special guest from City of Joondalup come to promote the National Year of Reading. Rebecca runs storytime for the COJ and teaches people who work with children. She came to speak to us about how we can create a love of reading in our children. For more information check out www.love2read.org.au

Why not grab a book for yourself from the playgroup library. Titles include:

- "The five love languages of children"
- "How to really love your child"
- "A fresh start"

EASTER PARTY

We had a special Easter party during the last week of term. To celebrate we read the story of "Dave the donkey", made egg shaped sun catchers and had an easter egg hunt! It was good fun celebrating the hope and life that Jesus offers those who believe in him.

Messy fun in the sun!

UPCOMING EVENTS

GIVE AND TAKE KIDS SWAP

Saturday 19th May, 10.30am - 12.30pm

Bring along kids clothes and toys (no books) to support this charity event. As many as you bring you can take. \$5 entry fee. Morning tea included. All proceeds go to *Compassion*, supporting children living in poverty.

Invite your friends.
